

2-Month Advanced Fashion Illustration Course

Curriculum

Module 1: Ombré Sequins

Master the illustration of light, reflections, and shadows on highly reflective fabrics. Create a detailed sequin gown featuring a sophisticated ombré effect.

Module 2: White Bridal Gown

Learn to illustrate intricate embroidery on a white-on-white bridal gown. Explore advanced techniques to capture delicate embroidery, texture, highlights, and depth on a white fabric base.

Module 3: Advanced Lace Couture

Design and illustrate an intricate couture gown using advanced lace illustration techniques. Learn to capture the transparency, texture, layering, and delicate details of lace.

Module 4: Multi-Print Couture

Explore advanced print illustration techniques and learn how to combine multiple prints harmoniously to create a statement couture garment.

Module 5: Leather & Fur Couture

Develop advanced mixed-media techniques for realistically illustrating leather and fur. Understand how to create the distinctive texture, shine, volume, and depth of these luxury materials.

Module 6: BONUS — Developing Your Signature in Fashion Illustration

Discover your unique sketching voice and learn how to develop a recognizable signature style. Explore ways to make your fashion illustrations more distinctive, personal, and expressive.

Course Focus: Advanced fashion illustration techniques, luxury fabric rendering, couture detailing, mixed-media exploration, and development of an individual illustration identity.
